#### ***From Robin Our President:***

Thank you to all the committee for helping out when I was not able to be at the last meeting. And a particular thank you to Patricia for stepping up to the Presidency for the day. Things are slowly getting back to normal and I am even thinking about gardening again! Winter is a quieter time in the garden and in our club. There are no Friendship gardens this month as we wait in anticipation for the bloom of spring once again to welcome in the growing season and the explosion of colour and texture that is so evident in the whole of our community of gardens.

#### ***From the Library:***

***"Remember, if you volunteer to help in the library then you get first pick of the new books!"***

Winter is a wonderful time to peruse gardening books for ideas on planning your garden. There are books in the library on all things pertaining to plants, general gardening and more. Members are encouraged to borrow as many books as they would like to for one month only.

Please remember to return your library books for others to enjoy the next month.

#### ***Club Membership Register***

As the Bundanoon Garden Club is an Incorporated Association, there is a legal requirement that members have the option of their address and phone number not being included in the membership list which is available to all members. If you wish to have these details suppressed, please contact Leigh, Membership Secretary. ([leigh@zouch.id.au](mailto:leigh@zouch.id.au)).

#### ***Guest Speaker***

This month we are welcoming our guest speaker, Jenny Phee who will be representing the Moreton Nation Park. Jenny will be discussing the difference between plants native to our area and native plants in general as well as what we can include in our own gardens.
