### June 2015 Newsletter

#### From the President

*It's certainly been a cold and frosty start to winter but hopefully we'll enjoy some calm and sunny days to get out in the garden to do some of those winter jobs, like pruning the roses or transplanting deciduous plants.*

*In less than two weeks our Seminars will be held. We're lucky to have such excellent speakers covering a wide variety of gardening related topics. I believe that the sample bags have some pleasant surprises as well.*

*Look forward to seeing you all there.*

A friendly reminder that cuttings will need some TLC and nurturing through the frosty days of winter.

*If you are unable to propagate, then how about buying a plant and donating it to our plant stall?*
