

**BUNDANOON GARDEN CLUB INC**  
**"Friendship Through Gardens"**  
**PO Box 25 Bundanoon 2578**

Meetings are held on the first Thursday of the month,  
9.30 for 10.00am

**SEPTEMBER 2017 NEWSLETTER**

**A WORD FROM THE PRESIDENT**

*These warmer sunny days see many of us out in our gardens again. I'm enjoying the daffodils and blossoms while looking for signs of new growth on plants that I put in last autumn.*

*Our Club is initiating new activities this month. Keep the date for our 'Drop in Afternoon Tea' in Nancy Kingsbury Park on Thursday 21st September at 2.30 pm. It is an informal BYO gathering so bring your own tea/coffee, something to eat and maybe a chair. This is an opportunity to catch up with friends and make new ones who, like you, have an interest in gardens.*

*Lately we have invited Clubs with interests similar to ours to include our members in their activities so please check the Gardening Noticeboard in the Newsletter for coming events.* *Judy*

**OUR PLANT STALL AT THE GARDEN RAMBLE**

*Cosette has been busy nurturing cuttings and caring for plants in readiness for our stall at the Bundanoon Garden Ramble in October.*

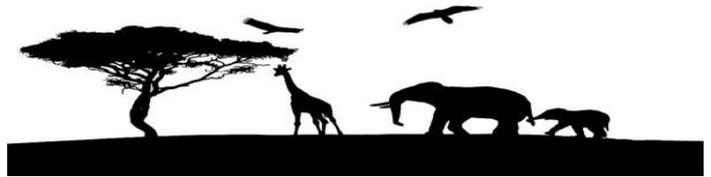

*Whilst it is too late to take cuttings from your garden in time for the ramble, it is not too late to purchase a potted plant from a local nursery to donate to our stall.*

*In particular the stall could do with donations of native plants.*

*Money raised from our plant stall goes towards assisting our members in their gardens in times of need, supplementing bus trips, the Annual Christmas Party, acquiring books and magazines for the library, hall hire, technology, insurance etc !*

**GUEST SPEAKER**

*This month we welcome Lyn Moorhen whose topic is 'Out of Africa', a place where her love of gardening began.*

*After 35 years as an executive in technology and finance Lyn obtained a Diploma in Horticulture (Landscape Design) with distinction at Ryde Horticultural College, Sydney.*

*This was followed with a landscape design business called Tallulah Landscapes.*

*Currently Lyn is a member of The Horticultural Media Association, the Australian Garden History Society, The Bundanoon Garden Club and the Mosman Garden Club.*

*Lyn has been a member of horticultural committees (including the president of the Mosman Gardening Society, the secretary of the Australian Institute of Landscape Designers and Managers, and a committee member of Open Gardens Australia). She was awarded Australian Computer Society lecturer of the year and now give lectures and talks on matters horticultural. Lyn also writes articles on landscape, design and horticulture for magazines both commercial and professional.*

*The Garden Ramble Committee needs people to help with the erection of gazebos at the gates of the open gardens on the afternoon of Friday October 20 and after 4.00pm on Sunday October 22.*

*If you can help please ring John on 0417 406 069 or email [jpryce-j@bigpond.net.au](mailto:jpryce-j@bigpond.net.au).*

*Many thanks.*

## FRIENDSHIP OPEN GARDENS

9 SEPTEMBER 10.30am -1pm

*It is with great pleasure, that, along with the start of our Spring Friendship Garden mornings, we welcome you into two Garden Club member's gardens in Exeter.*

### Garden 1: 5 Invergowrie Lane, Exeter

*Janis and John McCulloch's charming garden was started in 2010 with the construction of a large, gated veggie garden, green house, potting shed and compost bins. The garden is situated in a very picturesque setting, has a wide variety of cool climate plantings against a fabulous borrowed backdrop.*

*Note: Please park in the street and avoid the verge if wet.*

### Garden 2: 18 Bundanoon Road, Exeter

*Ruth and Peter Spence-Stone have been gardeners for only two years and are very passionate about their 1200 square metre garden. They have planted gooseberry, raspberry, blackberry and josta berry plants, and have set up their composting bins. Peter won 3rd place for compost and Ruth for kitchen herbs at the Moss Vale Country Show this year! Peter is a fine wood worker and his work room will be open and Ruth is providing morning tea for visitors.*

*Note: Please park in the street.*

ENJOY A BIG DAY OUT!

*No doubt those travelling to Leura in the Blue Mountains on Thursday 29 September are looking forward to their guided tours of some very special gardens. Enjoy!*

**Timetable:** *Please arrive at the Village bus stop at 6.45am. The bus will depart at 7.00am and pick up at Sutton Forest Inn at approximately 7.15am. The bus will depart from Leura at 4.00pm and arrive in Bundanoon at approximately 6.30pm.*

### Bundanoon Garden Club Life Members

The following members have received life membership for their contributions to our Club.

*Norma Davies, Jean Bosket, Laurel Hones, Noelene Hutcheson, Margaret Murty, Lofty York, Norma Waldon and Graeme Whisker.*

### A BEAUTIFUL INDOOR PLANT

*The Peace Lily: Spathiphyllum*

*The peace lily has attractive, dark green, lush foliage and a compact habit and is one of the most popular indoor plants grown in homes and offices. They are hardy, low maintenance plants that can help improve indoor air quality and have beautiful, tall white flowers throughout the year.*

*Place the plant in a warm spot indoors, away from direct sunlight. The pot needs to be double the plant size to give it enough room to grow. Use a mixture of potting mix and dynamic lifter for potting, back fill and firm down.*

*Water in well and remember to check the potting mix is kept moist. Don't over water in winter. Feeding every two weeks with liquid fertiliser in warmer months and once a month in winter will help to develop healthy foliage and give you lots of beautiful of flowers.*

*Remove discoloured or dead flowers regularly and try to keep leaves dust free by wiping gently with a moist cloth. Keep the pot out of the reach of children and pets as it is toxic.*

### WAR ON WAST

**Think About Saving Water**

- \*don't cut the grass too short or it will require more frequent watering*
- \* add water saving crystals to potting mix when potting*
- \*water pots in the late afternoon or evening*
- \*install a water tank to collect roof run-off and use on your garden.*
- \*stand a couple of buckets in the bottom of your shower*
- \*water the garden early in the morning or in the evening*
- \*mulch your garden well*
- \*grow plants with grey or silver foliage and those with leathery, hairy, curled or fuzzy leaves as they usually require less watering*
- \*layering plants in the garden can provide shade for smaller thirsty plants*
- \*build mounds around trees and shrubs to prevent run-off*
- \*makecompost then add to soil to help retain moisture*
